

# FOREST TRAILS

**Chuck,**

Have lots of fun  
this summer and next  
year in art! I can't  
believe I'm finally leaving  
this school. I've been waiting  
for this for 13 yrs.! Hop  
out of trouble and I'll be  
down by around!

Love,

Terri

Chuck - I like your art work. Real up the good work - Vicki Love

Chuck, I really  
am honored to be the  
first to sign this Chemistry  
sure was "fun"! Anytime you  
need a note - you know who to  
come to see! Have a nice summer!  
(I'm sure you will!) James

Dear Chuck,  
How'd you much  
this year you've been lucky?  
Take care of yourself and  
be a good boy and don't get  
caught!

Best of everything!  
Margaret Cohen

LIVE WITH JESUS  
AND YOU'LL BE  
SAVED LET GOD  
BE YOUR LIGHT  
AND YOU SHALL  
LIVE IN HEAVEN  
SISTER  
JACKIE

Chuck,  
Best in the future to a  
student who has really great to  
have in class again!

"I want to report a bomb. . ."

"Are you sure that was part of the assignment?"

"Guess what I want for Christmas!"

"I only used this much."

"Who took my arm?"

# AT LAKE FOREST HIGH

"Well that proves it, Les; Science leads to loss of hair."

"But what makes it run?"

"It's just like Corky Seigel, I tell you."

"Hold still, sir, this won't hurt a bit."

"That's not the pedal, Ron, it's my foot!"

Would you buy a used car from this man?

... or this man?

"My mother told me there'd be days like this."

"And this, boys, is how a train goes 'choo-choo.'"

"Our side had 50 per cent fewer cavities!"

Though plagued by poor communications caused by the abolition of homerooms and a variety of other problems due to the splitting of the campus, Student Council plowed their way through these barriers and those of general apathy in an attempt to air the views of the student body. Included in the bills passed this year were a new exam exemption concept, a course auditing recommendation, a suggestion to form a committee with a number of student members to review all non tenure teachers before they're rehired, and several open campus - free movement bills. The new student body constitution was approved this year, after almost two years of work, by the student council, the administration, and the student body. Again this year Student Council sponsored the highly successful Activity Day, a day in which regular classes were suspended and students instead attended a variety of self-initiated, unique, educational activities.

## FOREST SCOUT STAFF

This year the Forest Scout changed quite a bit. The new four page Large Size Forest Scout began with the February 25th issue. The Forest Scout staff under the leadership of Mindy Beck changed the paper from the magazine to more of a "newspaper" - type paper. The Forest Scout now carries commercial and want ads. This has been a goal for a long time. It will help the paper become more professional and closer to the staff's goal of being self-supporting. Also the staff's work area was moved to its present well lit quarters, the old audio visual room. And finally the Des Plaines Publishing Co. now prints the Big Newspaper for a Big School.

Forest Scout Editor Mindy Beck

## YOUNG IDEA

This year Young Idea changed its format from the traditional bound edition to a portfolio idea, loose pages fitted into a pocket in a portfolio. For the first time two or three large foldout sheets and photography were added to the magazine which included the traditional art work and block-printed cover design. As another first, nine professional people from the Lake Forest-Lake Bluff area consented to serve as judges for the '72 edition. These judges were from the fields of writing, photography, and art; and they selected two winners in the four areas of competition. Prize of \$10.00 and \$5.00 were given in three areas, with a \$15.00 award for cover design.

## DEBATE CLUB

The first president of Debate Club was a girl 1971-72 saw another girl as president - Megan Overby, who had held the office of secretary the year before. Three varsity members had attended summer workshops, so they led the training of new novices. Lake Forest teams have won such a fine reputation in the last few years that our school is invited to the best tournaments in the state. The membership in the Suburban Interscholastic Debate League assures the stiffest challenge on the North Shore.

## LETTERMAN'S CLUB

Again this year, Letterman's Club provided a variety of services to the school, which included ushering at all drama productions, assisting at basketball games, and helping with the intramural activities. Members of the club also sold programs at home football games to earn money which will be used to finance a long range project - the purchasing of a video tape machine for exclusive use by the athletic department. Last year marked the culmination of the payments on the last big project the club undertook - the purchase of a weight training machine.

## CUM LAUDE

The Cum Laude Society selects its members on the basis of scholastic achievement alone. Candidates are elected at the ends of the junior or senior years.

## QUILL AND SCROLL

Quill and Scroll is a national organization which recognizes excellence in the field of high school journalism. Members are selected from the staffs of the Forest Scout, Forest Trails, and Young Idea on the basis of their contributions to those publications and their scholastic excellence.

## NATIONAL HONOR SOCIETY

The National Honor Society is an organization which honors those juniors and seniors who have most nearly attained the desired goals of Scholarship, Leadership, Character, and Service. It is by and large a means through which outstanding students may be recognized by those fellow classmates (Student of the Week) and a service to students themselves.

## DRAMA CLUB

For the first time, Drama Club has Co-presidents: Anne Dubinetz and Ellen Crooks. Plans for the year are centered around preparations for members to attend the second International Thespian Conference to be held at Ball State University in June.

Activities began in October with three playlets for children. These were original manuscripts by students. The performances were so successful that plays were prepared on a Christmas theme. Drama members of the Performers' Bureau gave special programs for children at Lake Forest Library and before civic groups. Second semester, an exchange drama program between the two campuses encouraged many students to try out.

## BOOK CLUB

Book Club was a new club this year organized by Mr. Mullin. The Club set up a book store on West Campus to sell popular books to the students. Club meetings were spent discussing plans for the book store or talking about new books that the members had read.

Back row: Clyde Davenport, Tom Schulte, Tom Schroedter, Sue Kleeman, Ann Dabinetz, Robin Simmen. Front row: Beth Anderson, Mark Shumate, Richard Levinson, Mike Hanley. Not pictured: Nancy Lawver, Pris Campbell, Judy Mardoian.

## FORUM

The Student-Faculty Forum is an organization comprised of elected and appointed students and volunteering faculty. Its purpose is to bring together speakers for discussions of interesting and often controversial subjects. This year's topics were set up under different formats, and some of the programs included capital punishment, drug legalization, and diverse community issues.

## HUMAN RELATIONS CLUB

Human Relations Club is a relatively new club dedicated to making people aware of what they can do for others. This service club has been the sponsor of many worthwhile projects. The members have visited the Lake Villa Children's Baptist Home several times and have also sold gum to benefit both UNICEF and their new foster child in Peru. Writing to GI's in Vietnam and purchasing POW bracelets are two more achievements of which they can boast.

## C.L.A.W.

Sitting: Beth Braun, Judy Washburn, Debbie Criche, Jen Metcalf, Sean O'Connell. Standing: David Bailey, Mike Regan, Larry McCotter, Alan Holloway, Dan O'Connell, Ron Washburn, George Grant

CLAW's goal is to achieve what their name stands for - Clean Land Air and Water - through positive environmental action. CLAW organized paper, glass, and can recycling, and street and beach clean-ups throughout the year. They applied political pressure to dissolve the Lake Forest Mosquito Abatement District. Another goal of the organization is to educate the community on matters concerning the environment through speakers and movies.

## CHESS CLUB

Few students realized that every Wednesday afternoon this past year in room 106 (west) potential Bobby Fischers were plotting the moves at the LFHS Chess Club. Mr. Ruswick sponsored this bright, eager club composed entirely of sophomores aspiring to play in the National Championship in New York. Paired against tough competition, the Chess Club honorably acquitted itself by finishing 7th in the Illinois State HS Championship.

## MATH CLUB

Standing, left to right: Mr. Dhubet, Ted Lazo, David Haan, Ralf Rosin, Bob Banks, Scott Wheeler, Steve Loring. Sitting, left to right: Roger Barr, Foster Vall, Bill Davies, Greg Alegretti, Eric Hallowell.

The Math Club is a new club this year composed entirely of West Campus students. They are trying to join a national Math association and to carry on competition with other schools. The club also published several math journals this year.

## COMPUTER SCIENCE CLUB

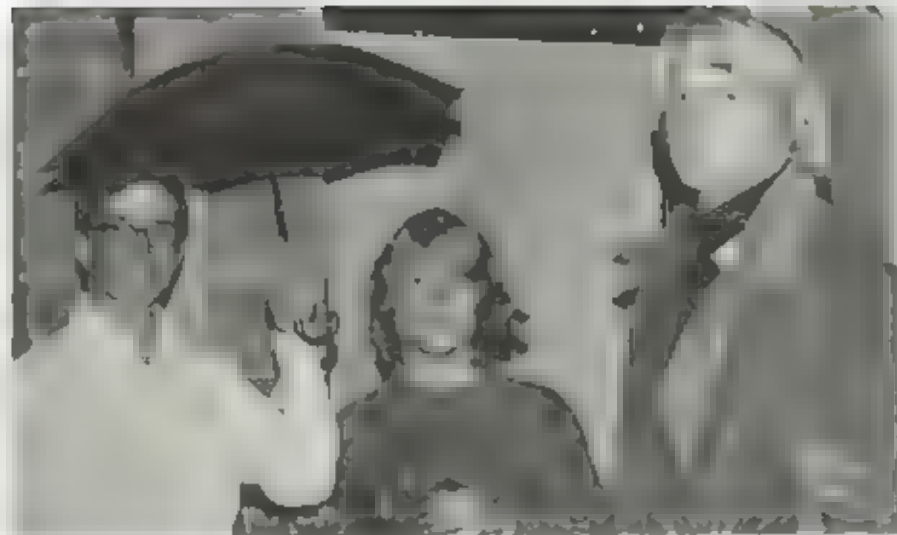

The Computer Science Club is an informal group of students who are interested in computers and want to learn more about how they are used today. Mainly a "field trip" club, we have taken a tour of the Lake Forest College computer facility, and a trip to I.B.M. in Chicago has been arranged for Activity Day. We have been trying to become a member of a national computer club organization so that we can obtain information about field trips, films, and other interesting activities. We also hope to visit the computer installations at ASC and Great Lakes before the end of the school year.

Sound Crew left to right Dan Goss, Bob Craig, Frank Ehrenford

"Backstaging" not only the musical and winter play but also such school productions as the pops concert and the Orchestras, Girls' Gymnastics, and Guppies Shows, are the ever present, ever busy production crews. This year the small but efficient stage crew took on the most complex sets in recent years. For "The Fantasticks" they built a new stage over the orchestra pit as well as tilting a large platform off the edge of the permanent stage. The Man Who Came to Dinner came to their elaborate realistic interior, complete with wall trim and hand-stenciled gold leaf wallpaper. Their hard work was exceeded perhaps only by their extensive vocabularies.

Under the direction of Brad Balonick, the new Student Technical Director, this year's lighting crew moved out of their "Light House" to immediately put up a new light bar right in the middle of the auditorium. And this year three crew members, after setting up the footlights, stepped over to become actors in various productions, several more earned money for their creative lighting effects in various efforts.

The goal of the sound crew has been to provide the best sound system possible with the available equipment. Not only have they provided the systems for the various productions, meetings, and events, but they also do a major part of the sound equipment maintenance.

## FUTURES UNLIMITED

A large, popular club, Futures Unlimited began the year as one club but then split into two - one at each campus. The caption "We'll Moo-sey over and churn 'em up!" on their homecoming float captured first prize for them. FTA went on to have bake sales, workshops, and their biggest project of the year - a spaghetti dinner. They split the proceeds with the Junior Class. (Juniors-60% and FTA - 40%) Their 40% and the door prize chance money went to the Grove School

## CELLAR

Cellar for '71-72 rejuvenated its image with a decrease in its traditional sock-hop style dances. Co-presidents Tom Pratt and Omar Myers brought in such superior talent as "Happy Day" and "R.E.O. Speedwagon". These proved very popular. Another large effort on the part of the co-presidents was the performance of "Livingston Taylor" on March 26th in the Raymond Moore Auditorium.

## FOREIGN INTEREST CLUB

The purpose of the Foreign Interest Club is to raise money to enable foreign students to come to Lake Forest High School the following year and to allow some High School students to go to other countries to school. The club also tries to help the foreign students to adjust to LFHS and to enjoy their stay. Some of the events the club has held this year include a Christmas party, AFS weekend, and a Pizza Sale to raise money.

## SCIENCE CLUB

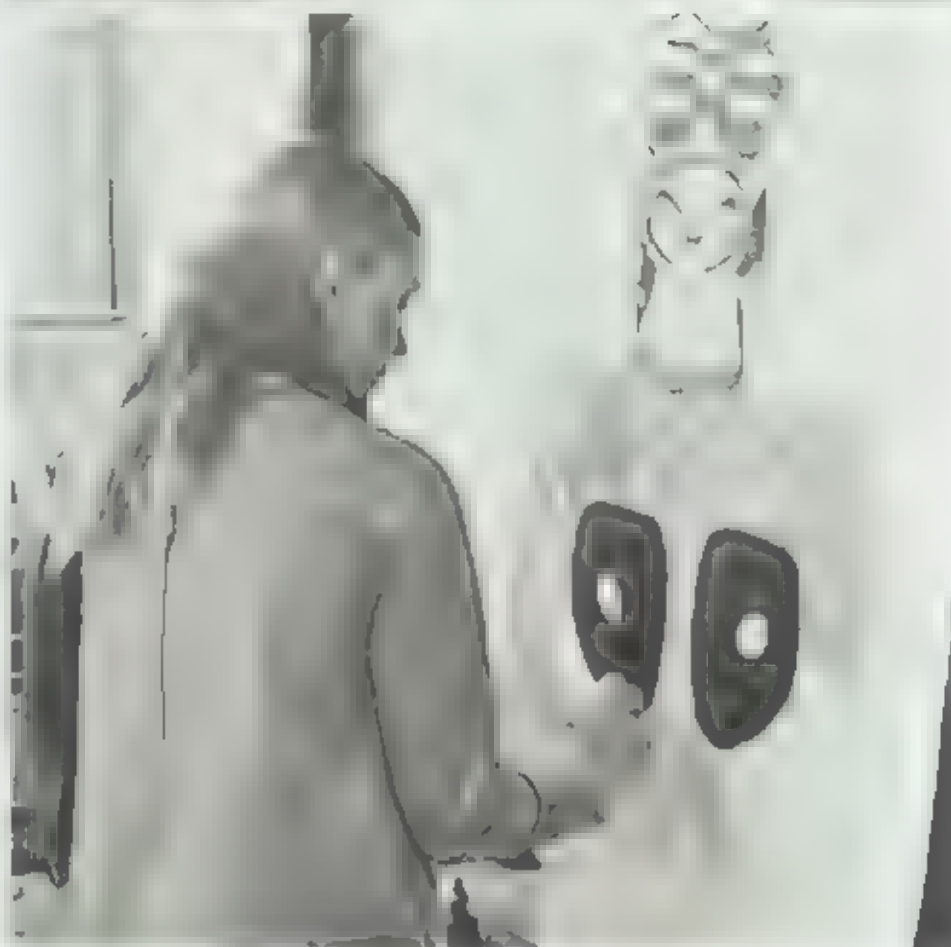

The Science Club is designed to enable its members to become more involved in science and to realize career possibilities. This is done through films, guest speakers, and field trips. The regional science fairs in the spring are a major project for interested members as was a trip to Argonne National Laboratories.

## FOTO CLUB

The FOTO Club consists of about a dozen beginning and advanced student photographers. The goal of this club is to teach and improve each member's photography skills. The members develop and print their own black and white pictures in the club's dark-room. A good part of the photos in this yearbook were taken by FOTO Club members. A field trip was taken by those interested in taking pictures for the club's contest.

## ART CLUB

While recognizing no formal offices or rules, the Art Club provided an opportunity for serious art students to work on independent projects. Instruction was available to those who desired it. This group met every Thursday evening from 7:00 to 9:00. The late hour proved successful in narrowing down the membership to those sincerely interested in developing their skills.

## RIFLE CLUB

Rifle Club was organized this year to give interested students a chance to learn about rifles and pistols, and to promote the safe and enjoyable use of these firearms. The club met every Saturday morning. A rifle team was organized for the first time in a few years. The team competed against Waukegan's ROTC J.V. team and won the meet 943 to 942.

The club extends its appreciation and thanks to Herb Sphor, an ex-marine from Skokie, for his time and effort given to them.

## SKI CLUB

The object of having a ski club is to unite those students who have a common interest in skiing. Before the snow flies, the club has numerous ski flicks produced by Hart, K2, etc. Once the season starts, the skiers organize ski trips such as the one to Wilmot on Activity Day, and independent spring trips to Breckenridge and Jackson Hole. This year they added a new activity - team racing. The Ski Club also scheduled races with Barrington and Hersey High Schools. This type of Competition adds excitement to the club's activities.

## PEP CLUB

The main activity of the Pep Club is the Homecoming Dance. This year's dance was a success and in order for the dance next year to be just as successful, the Club spent the latter part of this year raising money by selling stationery and having a Spring Fair. The goal of Pep Club and all its members is to raise the spirit of the school.

# HAPPENINGS

## HOMECOMING '71

"Way Out West" was the theme of Homecoming this year. A happy Frances Myles was crowned queen during her time festivity at our victorious game. This year for the first time a trophy was awarded for the best decorated window display, which went to Drama Club. The juniors took the trophy for best class float with the slogan "Sea of 73 They Missed the Soup of Victory". A large crowd enjoyed the dance where "wanted posters" of the football players decorated the gym.

Rated the Musical Production of the Year, the "Fantasticks" and its unique double cast captured the hearts of many in its four-night stand at LFHS. Under the guidance and expertise of Jay Criche, the players produced a fantastic show.

## A CHRISTMAS BALL

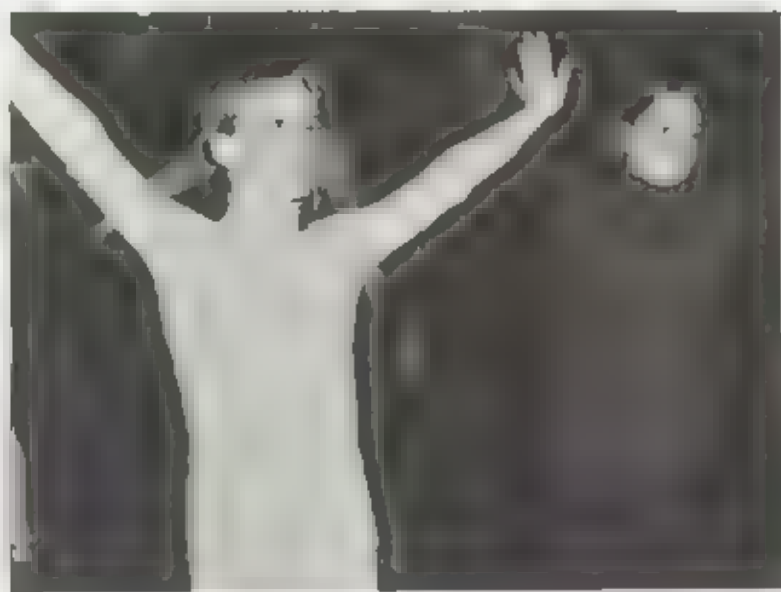

Santa and Mrs. Claus were on hand to greet guests at Cellar's 1971 Christmas dinner dance. The holiday crowd enjoyed the elegant dinner and danced to the lively music provided by "Loose"

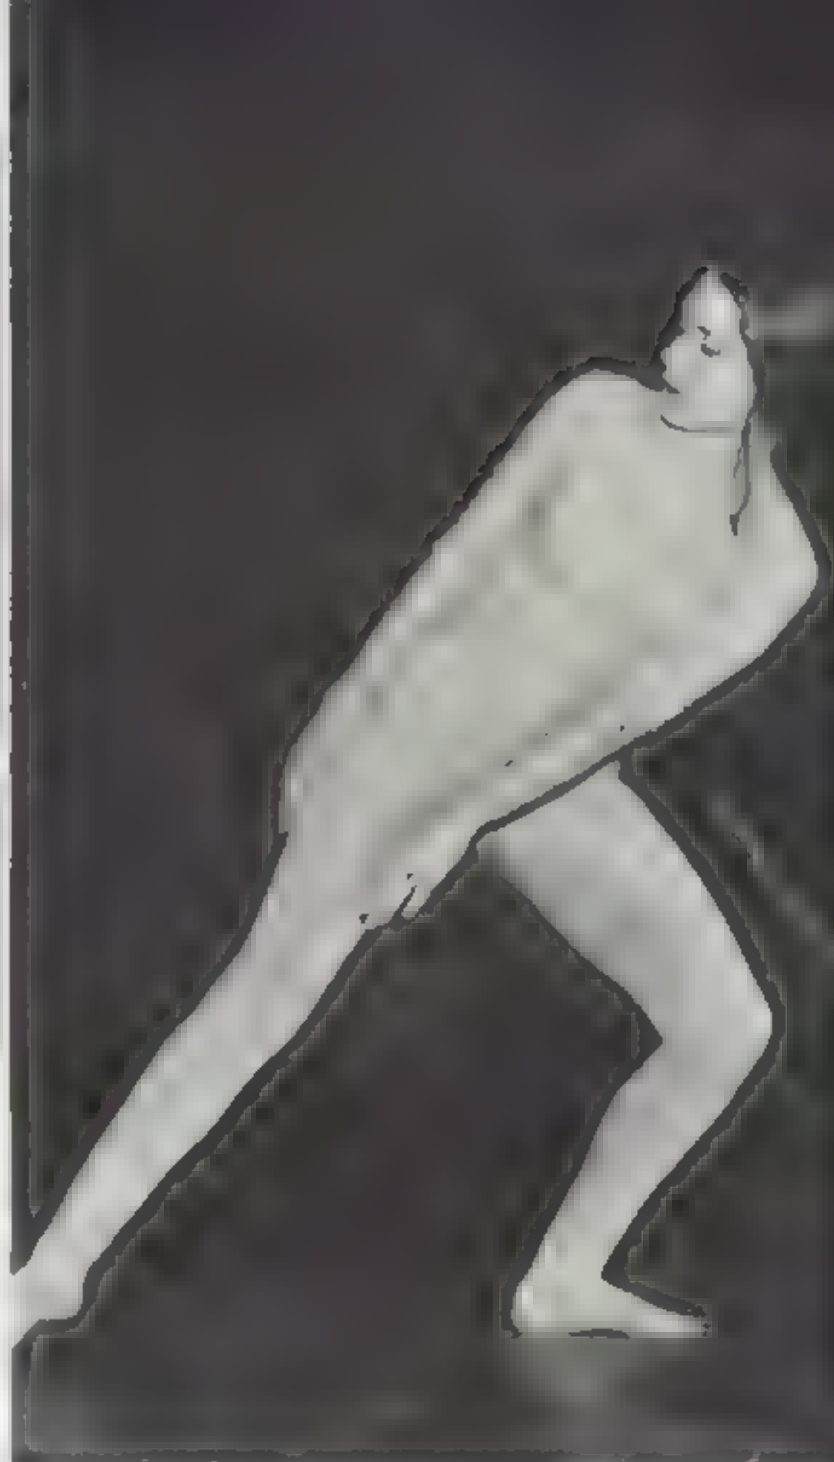

## DE RERUM NATURA

The theme of the Orchesis Club's annual show was "Fire, Water, Air and Earth—de Re-rum Natura". It proved to be an outstanding show with original costumes and dance numbers. Nancy Goetz, President of Orchesis and all of the members worked hard to make the show a success.

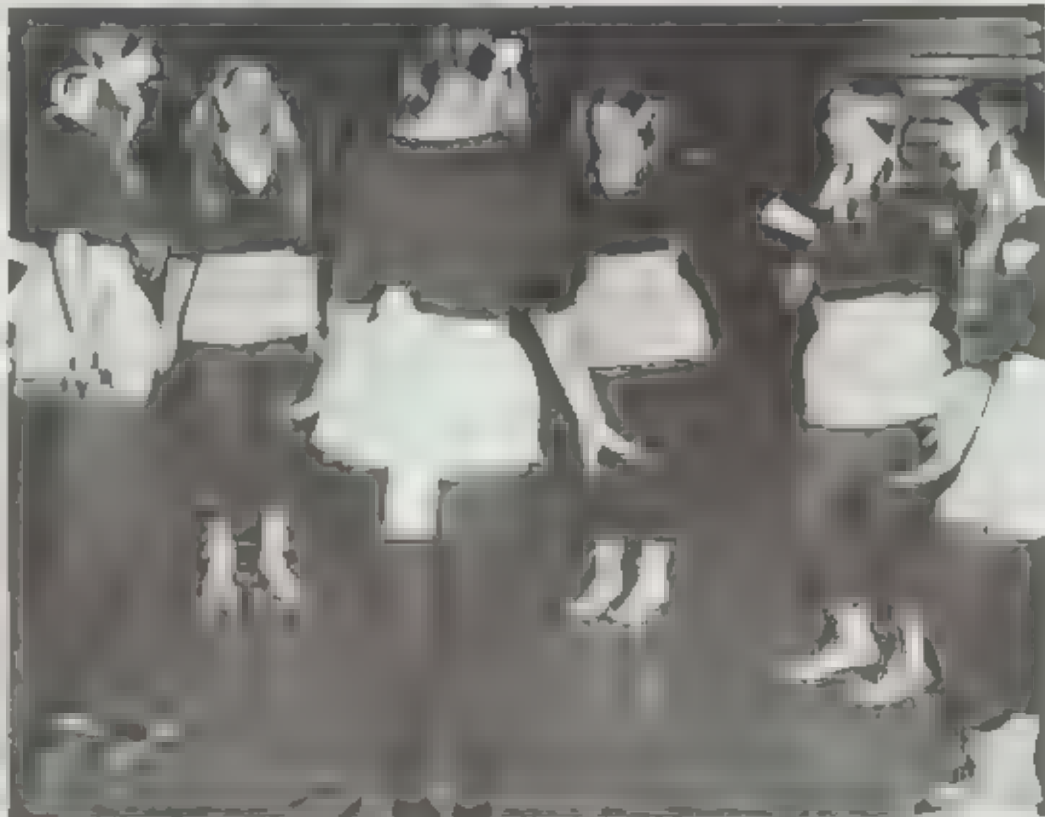

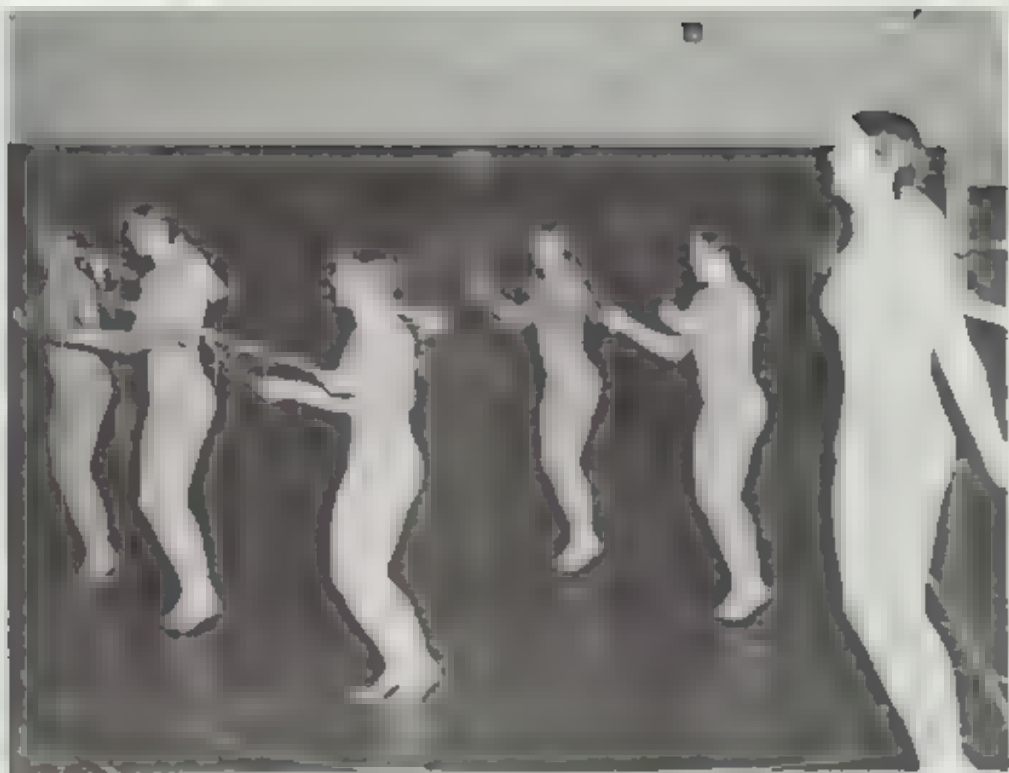

# IMAGINE

The members of the Girls' Gymnastics Club outdressed themselves this year with the show "Imagine"

A special interest group composed of freshmen and sophomores girls added their own original routines to the show. An extra attraction was "Senior Surprise" in which the Senior members of the club roller skated to music.

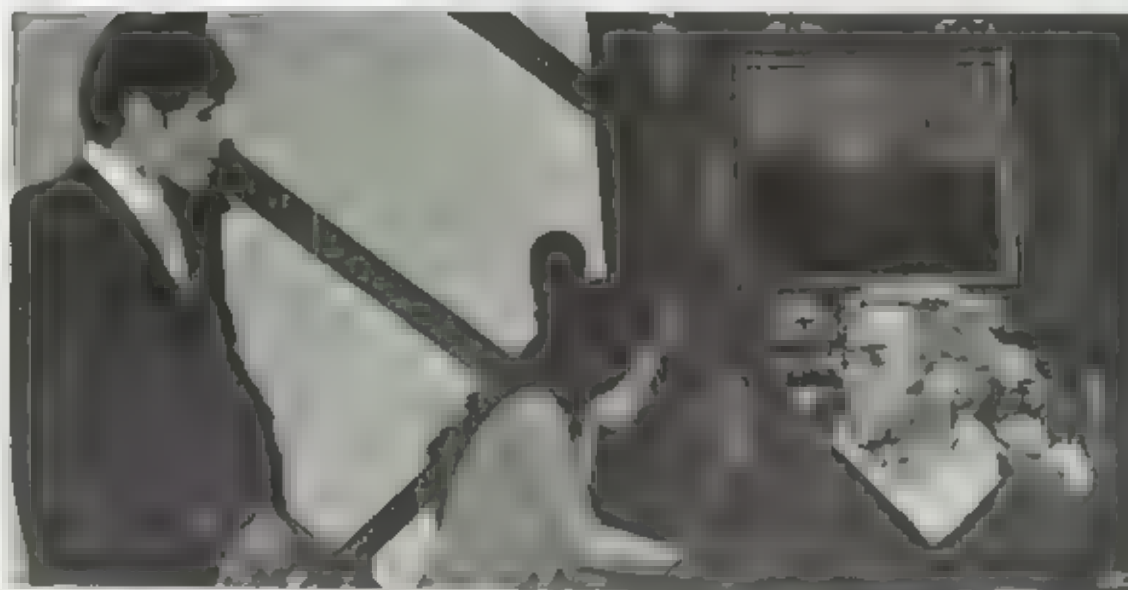

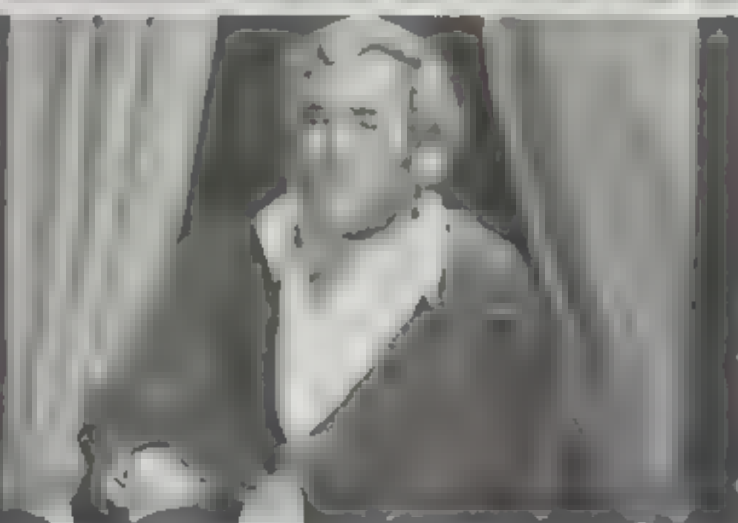

This year's winter play, directed by Jay Criche, was thoroughly enjoyed by all. The audiences were delighted with the outstanding performances of a 143 cast members. Especially good were the main characters including Mike Ryan as Whiteside.

The Scouts, after losing a preseason game to Mundelein and their opening game to Lake Zurich, came back to win their next five games. Having established a 5-1 record in conference play, they faced undefeated Warren in their last game. A victory would bring the Scouts to a tie with Warren for the conference championship. But injuries sustained in previous games by starters Jim McGonagle, Mike Burns, and Jim Townsend, along with the loss of Ken Olufs in the first few minutes of the Warren game proved to be too much for the Scouts to overcome. They lost to Warren 22-8 and had to settle for third place in the conference. Ken Olufs and Scott Mohr, however, were named all-conference and all county in their positions, providing two bright spots in the Scouts' season record.

Girls Interscholastics is fairly new this year. Through interscholastics sports, girls can now compete in various sports against other schools. Selected groups of girls are trained and coached for the different teams. This year Lake Forest High School competed in tennis, field hockey, badminton, softball, and track. Competition with other schools is still on a limited basis, but next year the number of sports will be broadened to include swimming, gymnastics, archery and basketball.

Front row: Lisa Hathaway, Patty Faulks, Peggy Brown, Janice Dawson. Second row: Kay Selby, Jodie Pierce, Sue Eklund, Mary Langdon, J. Seeger, Diane E. Ferguson. Third row: Karen Hanson, Colleen Hogan, Ann Nelson, Diana Goulding, Pam Dorge, Ellen Boughton.

The purpose of the Girls' Gymnastics Club is to improve gymnastics skills on all pieces of apparatus and to produce one show each year. Since Freshmen and Sophomores are at the other school, they are not eligible to be members of the club, but they may be in the show if they have been judged to be of an advanced skill. During second semester the Girls' Gymnastics Club does not meet, but an interest group is open for all four levels of girls. The interest group meets at the West Campus.

## ORCHESIS

Orchesis is a club that provides girls with an opportunity to experiment with dance. Affiliated with GAA, the club members spend most of the year creating their annual show. Also, among their activities is the staging of little plays (fairy tales depicted through dance). The advisor this year was Mrs. Freund

## GUPPIES

The purpose of the Guppie Club is to improve synchronized swimming skills and to present at least one show each year. Specific stunts are taught throughout the year and swimming endurance is increased to prepare the girls for the strenuous requirements of the three performances. This year freshman girls were eligible to join as "Gups" or as junior members. At any time they wish to become regular members, they may try out with the stunts used by the regular Guppies the previous spring.

## GAA

The Girls' Athletic Association is an organization active in bringing out the girls' interest in athletics. Participation in a variety of sports is available throughout the year. The G.A.A. also sponsors a special interest dance and gymnastics groups. They also hold such activities as the Big-Little Sister Party, the awards picnic, and finally Turnabout.

# INDEX

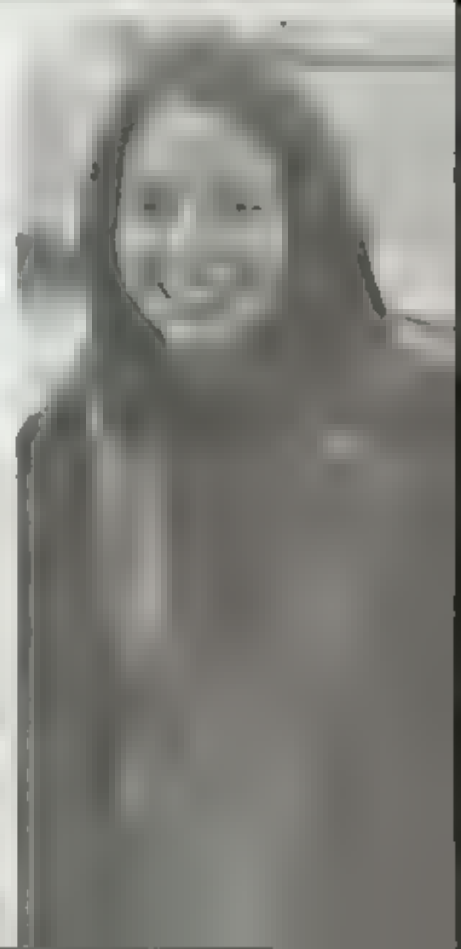

## A Word About the Index

It is interesting to note how many times a single name appears in the index. For example, Anderson or Andersen is listed twelve times; Burns is found eleven times, and Hanson or Hansen appears ten times. In addition, two of the eleven Johnsons that are listed are named Tom

So when using the index keep the above facts in mind. Remember too that there were 1672 students at Lake Forest High School this year, and there are 192 pages in this book

Can there be little wonder that we may have made a few errors in this index?

## THE END

PISCHEL YEARBOOKS, INC.

Chuck-

There is no such thing  
as a superior being  
You were created by  
a father and mother  
atom. You're children will  
be baby molecules and  
neutrons. You're grandchildren  
will be protons, and so forth -  
- Have a good yr next yr  
study hard, and hope to see  
you!

Love,

Sylvia

MAY Jesus go with you and guide you through  
your darkest days and turbulent nights-  
Even though you disbelieve, Even though you  
sin against the only true god  
Jesus still loves you  
"Et Com spirit tu tuo-"  
"Can you relate to it?"
